COLLEGE OF MEDIA  
COMMUNICATION  
AND INFORMATION

 University of Colorado **Boulder**

**CMCI should be a place where all students encounter diverse knowledge and are supported toward success.** We want to know where we are struggling and how we can do better.

**Our academic excellence depends on this.** We are not just being “polite” or “proper.”

**We are opening a sustained conversation.** We want you to speak up and reach out with questions, concerns, and ideas about DEI in CMCI.
