

Diversity, Equity and Inclusion

The Diversity, Equity and Inclusion (DEI) team ensures that, whoever you are, you have the support, resources and community you need to belong and succeed as a CMCI student. Our college is guided by a commitment to diversity, equity, inclusion and belonging. Our mission is to translate that commitment into action.

College of Media, Communication and Information

UNIVERSITY OF COLORADO **BOULDER**

WHAT MAKES US DIFFERENT

Our goal is to foster places of learning and working where all members thrive. Our students, faculty and staff collaborate across programs and majors to share diverse perspectives and experiences. Similarly, our DEI team brings a range of expertise and backgrounds to our work. We share a passion for enhancing diversity, equity, inclusion and belonging around the college through three key efforts:

- **Outreach** | Diversifying our students, faculty and staff by building strong relationships with a range of communities.
 - **Support** | Creating and maintaining a culture that effectively recognizes and serves a diverse membership.
 - **Teaching and research** | Fostering classrooms and content where knowledge and conversation are diversified.
-

DEI student support programs

- **Connections: CMCI Summer Academy** | A summer outreach program that introduces CMCI to diverse groups of Colorado high school students.
- **Pathways to Excellence Summer Intensive** | A residential summer bridge program that serves a diverse group of incoming CMCI students.
- **CMCI Diverse Scholars** | A program that facilitates networking opportunities, peer mentoring and tailored support from faculty and staff for students who complete Pathways to Excellence.
